## GENERAL CATALOGUE

In this catalogue, tickets within each price band are sorted firstly into company (i.e., pre-grouping and pre-nationalisation), then British Railways regional order (i.e., Northern, Eastern, London Midland, Scottish, Southern and Western regions), before being further sorted alphabetically by station, within that region.

### REVISED ORDERING GUIDELINES

Tickets from this catalogue will be processed on a **'First Come, First Served'** automated-basis.

To give you the best chance of securing the tickets you want, use the online facility (using your email address and password), which many of you are now familiar with. Once an order has been submitted online, the system will inform you which tickets are available instantly. You can submit further orders from the same catalogue, which gives you the flexibility of ordering second choice tickets. Orders will be processed within three working days. Payment processes will not change.

We will continue to process orders received via email/telephone/post as soon as possible.

LEGEND: ● Indicates that ticket is unissued and has originated from an Audit Office

**All tickets offered on this list are in at least "very good" condition, i.e. not damaged or mounted.**
